

The European Forum on Ageing Research presents:
9th ERA-AGE Forum Meeting

Ageing Policy and Research in the New Member States

This European Forum is dedicated to the development of research capacity in the ageing field in the New Member States of the EU. The aim of the meeting is to exchange experiences and discuss and share good practice relating to ageing research and ageing policy from around Europe.

Co-hosted by the European Research Area in Ageing and UEFISCDI, the Romanian Executive Agency for Higher Education and Research Funding, the event has four objectives:

1. To engage representatives from the NMS in discussion about ageing research in Europe
2. To introduce participants to the work of ERA-AGE, FUTURAGE and other European initiatives
3. To learn about ageing in the New Member States
4. To share good practice

The programme mixes plenary presentations with panel and group discussions.

Date: 28 November 2011
Location: Bucharest, Romania

The event is fully funded and places are open to stakeholders from the New Member States.
